## MONEY & BUDGET

### 1. What does your budget realistically look like for all bridesmaid-related costs?

*Think total: dress, shoes, hair/makeup, bachelorette, travel, shower contribution, gifts, etc. A ballpark is fine.*

---

---

---

### 2. What's your preference on hair and makeup?

- I'd love professional hair and makeup
- I'd prefer to do my own
- Depends on the cost — what's the estimate?
- Happy either way

### 3. What's your bachelorette vibe and budget range?

*Weekend trip? Local night out? Low-key hangout? What feels doable for you right now?*

---

---

---

## SCHEDULING & AVAILABILITY

### 4. Are there any dates that absolutely don't work for you?

*Hard conflicts only: pre-booked travel, work stuff you can't move, family events, etc.*

---

---

### 5. What's your travel situation for the wedding weekend?

- I'm local — easy to get there
- I'm driving in (need hotel info)
- I'm flying in — arriving on: \_\_\_\_\_
- I'm bringing a plus-one who also needs logistics

### 6. Can you make the rehearsal and rehearsal dinner?

- Yes, I'll be there for both
- I can make the dinner but might miss the rehearsal
- I'm not arriving until the wedding day

### 7. What time can you realistically be ready on the wedding morning?

*How long does your hair usually take? Are you an early riser or do you need coffee first?*

---

---

## THE DRESS & GETTING READY

### 8. Any strong feelings or concerns about the bridesmaid dress?

*Strapless won't work, need a longer hemline, fabric issues, pregnant or might be, etc. Anything goes here.*

**9. Shoe situation — any preferences or limitations?**

- I can do heels all day, no problem
- Low heel or block heel preferred
- Flats only, please
- Flexible — just tell me what to get

**10. When it comes to what to wear, would you rather be told or have options?**

- Send me one link and a deadline — done
- I'd like a few options to choose from
- Give me a color or vibe and I'll find something

**YOUR ROLE**

**11. How involved do you want to be in the planning?**

- Very — put me to work, I'm into it
- Somewhat — happy to help when asked
- Minimal — I'll show up and be supportive, but planning isn't my thing

**12. How do you feel about giving a toast or doing a ceremony reading?**

- I'd love to
- I'd do a reading if asked, but I'm not volunteering
- I'd honestly rather not — public speaking isn't my thing

**13. Is there anything you'd specifically love to help with?**

*DIY projects, bachelorette planning, morning-of coordination, creative stuff, nothing — all fine.*
